EDUCATION

SECONDARY SCHOOL
Betty H. Fairfax High School (Valedictorian)
2012-2016

BACHELOR OF SCIENCE
Northern Arizona University
Electrical Engineering (In-Progress)
2017 - Present

CODING BOOTCAMP CERT.
UofA full stack bootcamp grad
2022 (complete)

PROFILE

I am a full stack web developer looking to expand my horizons with a team equally as passionate of collaborative and intellectual growth as I am.

EXPERIENCE

FULL STACK CODING BOOTCAMP
UofA Coding Bootcamp Graduate
2022 (Complete)

- Comprehensive course with a rich curriculum that has been an incredible start to my web-development, learning journey. Full works can be found in my portfolio (link in top left section of resume)

NAU (ELECTRICAL ENGINEERING)
B.S. in progress
2017-Present

- My coding experience began here, though in a different scope than my current, web-development passion. The first languages I learned were Python, MATLAB, and C++ (for Arduinos).

P&C REGULATIONS CLASS INSTRUCTOR
Fred Loya Insurance
2020-2022

- Teach classes from three people to ten people with a custom curriculum (of my own creation).
- This position helped me grow two particular skills: education from an instructor's lens, and management of adults.

PREVIOUS VOLUNTEER WORK

- AZ Humane Society
- Willow Bend Environmental Education Center (Tech Liaison)
- Habitat for Humanity (Poland)
